

K-LOVE Radio (KLVA in the Phoenix area) provides positive and encouraging music. It is one of only 2 such stations in the Phoenix area. Thus, it will be really bad if KLOVE is forced off the air by new LPFM stations.

KLOVE has been an encouragement to me and many others, especially in difficult times of our lives. Their positive and encouraging music and messages have been a tremendous help to people struggling with depression, hopelessness, loneliness, and so on. In addition, they also provide many other services to communities all over the U.S. Therefore, it is essential, and also in the interest of the public that they remain on the air. Thank you.

Sincerely,
Derek Gwee
